KINGDOM EXPANSION IN 2022!

FAVOR INTERNATIONAL ANNUAL REPORT 2022

"Proclaiming the kingdom of God and teaching about the Lord Jesus Christ with all boldness and without hindrance."

Acts 28:31

From the bottom of my heart, **thank you** to each partner – you are family and friends who have made the expansion of the Kingdom of God possible in 8 nations in 2022. I love you dearly and pray for you daily and thank God for you! You are truly the foundation enabling and empowering, through His Spirit, all that is accomplished in the nations of Africa.

UGANDA, SOUTH SUDAN, SUDAN, ETHIOPIA, CENTRAL AFRICAN REPUBLIC, CHAD, CONGO AND KENYA!

It's amazing what God has done through our Rural Evangelism missionaries. We have touched 436 locations with 2-3 month evangelism, seeing 1,000s come to Jesus with discipleship! Many of those locations are either Muslim dominated, rural unreached areas, nomadic cattle camps, naked warring tribes and areas rooted in witchcraft, polygamy and starvation.

TOT – TRAIN OUR TRAINERS was a highlight that crowned the year with such excitement as we saw 240 field missionaries from 8 countries converge on Juba for massive and intensive 2 month training in everything from Biblical foundations, Holy Spirit empowerment, reporting and photography, marriage, and everything in between. It was powerful, prayerful, focused on consecration, surrender, prayer, and commissioning. I was truly humbled with these men who are willing to be martyrs and count not their lives as their own. Because of these 2 months, our number of Portable Bible Schools was reduced as we focused on training. Normally we do three waves of these PBS's but 2022 was only two waves as God led us to prepare for the greater harvest by Empowering and Equipping for further expansion.

RESCUING OUR STREET YOUTH in two countries has also been another major focus of 2022. We found 100s of street boys in South Sudan with open flesh wounds. Some boys even lost their lives because of malnutrition and lack of medical help. Some we were able to bring home to Juba, but we were able to purchase land in 2022 that will enable us to bring home 100's in 2023, so we praise God! "Even as we have done to the least of these we have done to Him!" These boys are precious treasures coming out of darkness into the hope of their calling!

TRAUMA HEALING has been another incredible highlight that has taken us to Army Generals, government officials, business leaders, rural areas, schools, universities and opened doors we could never have otherwise. Based on forgiveness, meeting the Great Forgiver we are seeing nations who only know war, anger and pain, discover peace, love and forgiveness. The results of these trainings caught the attention of vice-presidents and government officials as nations are being transformed!

The Kingdom expansion has been immense because of what God has done and what you have believed in. If I could write all that is in my heart for 2022, it would be a book – thank you JESUS! Thank you so much for continuing to partner with us in 2023 as we see Kingdom Exploits – the sick healed, the dead raised back to life, the lepers cleansed and those bound in sin set free (Matt. 10:8).
