SOUTH SUDAN - TRAUMA COUNSELING

In South Sudan, a nation that has been ravaged by war, one Vice President said “We have all been traumatized!” God opened the door for us to conduct a 2-day trauma counseling conference with four out of five offices of the Vice President. Over 70 people came ranging from office personnel to Parliamentarians. This has been a vision for more than five years of praying, asking, and sending proposals. Dr. Robi Sonderegger from Australia came and presented the curriculum he wrote and that Favor has used for over 20 years!

UGANDA

This quarter we hosted a powerful crusade in Salia Musala, in the northwest corner of Uganda. It is an area steeped in witchcraft and Islam. After days of fasting and prayer - there was no breakthrough. The team in Gulu was praying. On the final day, an 8-year-old little girl who was deaf and mute from birth was fully healed. Her first words were, "Mama!", and the mother was overwhelmed with joy. Jesus showed up and hundreds came to Jesus that night. Hallelujah!

CHAD

In Chad, 160 Arabic-speaking men of God came to Favor for 2 months of intense missionary training. It was a powerful move of Holy Spirit as they learned and are willing to lay down their lives to go to the 91 unreached people groups in northern Chad where Isis terrorist groups dominate it. God is moving across the nation!
