

Quarter 2

IMPACT REPORT - 2024

PRAYER & FASTING

Every quarter, every country has a week of prayer and fasting as we see strongholds broken, territories taken, resources provided, governments shaken, fightings cease and great answers to prayer. The same week we had a packed house at prayer and fasting in Chad, the President announced that all bars and discos in the area of our House of Prayer would be demolished and closed down. The area of the city that the House of Prayer is located in is known as 'disco city', but when we move Jesus in, darkness moves out. The day after we finished prayer, the bulldozers came into the neighborhood and destroyed every bar and every disco. What an incredible answer to prayer as we see God's hand moving in mighty ways to perform His wonders. **PRAYER WORKS!**

TRAUMA COUNSELING WITH ARMY OFFICIALS

Mj. Gen. Simon would like to thank Favor Africa ministries for teaching his soldiers and especially the commanders. They have learned a lot through the teachings that will help restore peace in relationships. This in turn will bring peace to this land of South Sudan. He would love the course to reach all the soldiers in the state. We give God thanks for all He is doing though counseling!
